Vegetables & Side Dishes

Steaming vegetables is best:

The best way to cook vegetables is to steam them just until tender. It's very simple and fewer nutrients are lost than when boiled. Learn to enjoy vegetables with little or no salt. Try some herb seasonings instead!

Some good combinations:

broccoli, cauliflower & carrots
asparagus & red bell peppers
kale & onions
yellow squash, zucchini & onions

5 c. brown rice
8 1/2 c. water
2 tsp. salt

TOAST rice in heavy skillet over medium heat, stirring frequently until rice is a light golden brown. BRING water to a boil. TRANSFER rice to 1 quart casserole dish. STIR in water and salt. BAKE covered at 350° for 1 1/2–2 hours or until all water is baked out.

VARIATION: Add 1 1/2 tbsp. onion powder, 1 tsp. garlic powder, 1 tbsp. soy sauce or Bragg Aminos, 2 tbsp. nutritional yeast flakes.

Dilled Green Beans Almandine
